- 501©3 designation - We are in the process of obtaining; will be called Friends of Bayview Merchants Association
- Presidio Shuttles –
  - Shuttles will be coming into the Bayview to every Saturday of October as a pilot; an effort to get more people to visit the Presidio
  - Partnership of the National Park Service, Parks Conservancy and The Presidio Trust
  - Came to the BMagic Community Convener's Meeting to talk about the program but also to get feedback about where the stops in the neighborhood should be and where to recruit young people to be ambassadors from the neighborhood to the Presidio
  - Sites suggested: BVOH, Boys & Girls Club, YMCA, The Sundial, and the Library
- John Weiss – Director, Bayview Boom
  - Wants to create a community radio show called BVHP Radio
  - Has to submit FCC application; application being written in September to be submitted in October
  - Has to demonstrate broad support for such a project and is wanting community participation – [john@bvhpradio.org](mailto:john@bvhpradio.org)
  - Will be invited to August's meeting
- Supervisor David Chu's Family Friendly Workplace Ordinance
  - Provides all employees with the "Right to Ask" for flexibility as a result of being a caregiver
  - If employer's costs are increased or can't fill a shift or job he/she can say "no" to request (language in ordinance says that employer can deny request for a "business reason")
  - If employer says no, employee can request a meeting
  - Only role OSLE has is to make sure that conversation happened
  - 20+ employees
  - Employee has to work at least one day a week, and has to have had months of employment
  - The Small Business Commission had oppose the legislation in its original format, but some edits have been made
    - Employers no longer required to make schedules two weeks out
    - Now the ordinance applies to businesses with 20 or more employees (was fewer)
    - Significant items that still remain: if 5% or more of a business' employees speak a language other than English, the ordinance must be posted in all the other languages
      - If an employee requests time off, is denied, and requests a meeting, the employer must meet with the employee within 14 days
      - [More information](#) on the ordinance.

- 3<sup>rd</sup> on Third
  - Wanted to keep it going even though July was not as well attended as July
  - Expect a greater turn out in August
  - The project has just received some City funding; have not received those dollars yet, and they include overhead and administrative costs
  - Merchants are being supported with stipends to offset programming in their spaces, permit fees for plaza set up, and 30% revenue on t-shirt sales
