The Details: The Bayview Branch Library Campaign is fundraising to furnish and equip the new Bayview Branch Library which is currently under construction at the corner of Third Street and Revere. The Branch, set to open to the public in early 2013, will be a community anchor and we have set a \$25,000 community fundraising goal towards our \$750,000 city-wide goal.

The Jars: We hope that you, as a trusted Bayview merchant, will consider placing a penny jar in your business. This penny jar will allow your customers and clients to participate in the campaign and to assist the committee to reach their \$25,000 goal.

Schedule: Place penny jars in your business during the months of November and December. We will be in touch at the end of each month to determine if you need a pick-up of the change/cash collected by that point. If so, a committee member will pick-up what has been donated so far. Feel free to contact Mary Abler if you have any questions or would like to request a pick-up of cash prior to the end of the month. You can feel free to keep the cash as change or change it out for bigger bills, whichever you prefer.

Get a Jar! If you would like to participate and receive a jar from the Bayview Branch Library Campaign, please contact Mary Abler (information above) and we will make sure you get one soon.

Thank you for your consideration!
